

Partner's Hunt! July 16th!

What is a Partner's Hunt you are ask?

We will be meeting at 0900 hours at the Ber-Vaughn Park Pavillion. Two members names will be drawn at random, and that "Team" are hunting partners for the day. Once all the names are drawn, the teams head out to metal detect for the day. At 3PM we meet back at the pavilion to share our finds and stories. We will hold a Best Finds contest similar to our Find of the Month. We will hold our July meeting then, as well as our traditional summer cookout. Please bring a covered dish for the cook-out.

Things to consider.....you can scout and plan in advance. You may want to pack a light lunch, or snacks. Your covered dish needs to be able to last a while or keep it in a cooler. And finally, do you really want to take your new partner to that secret spot you have been saving?

Come join us for a fun day of detecting!

Annual Open Hunt

We have been discussing our Annual Open Hunt. As a club, we do not think we have a chance of being successful this year. We are looking at options. Please join us at our meetings so we can get your ideas!

Members Only Hunt

Yes, we will still be holding out Members Only Hunt. However, since we do not have our "Fund Raiser" Annual Open Hunt, we can only run a few members hunts until we run out of money. The date for the Members Only Hunt has not been set, you can provide input for the date by attending future meetings.

Our Problem.....

We want to keep our club alive. We want to have our Members Hunt. So we need to raise funds. We are looking for your help. The club has a metal detector to raffle. We can buy coins to raffle. What we need is a place and people to sell the raffle tickets.

Do you know of an event where we can set up a table to sell tickets? An outdoor event with lots of like minded people? This is what we are going to have to do if we want to remain as a club. We are grasping for ideas, and a lottery ticket is probably not a good one.
