

Winter/Spring 2016

2016, A New Year!

Hopefully you have all spent the winter researching for this year. As more hunters enter the hobby and as land continues to be closed to detecting, research is the key to making those great finds. Needs some ideas on how to research, or where to start? Come to the next meeting and talk to some of the more experienced members, they have a wealth of information to share (no secrets, mind you). There are some great places still out there that have yet to be found, like the old campground on Knob Mountain!

Dust off your 2015 Find of the Month treasures and bring them to this month's meeting where we will select Find of the Year for 2015!

Ed Shaffer has arranged for a guest speaker at the March Meeting. The speaker is knowledgeable about the Civil War and will be speaking about the life of a soldier during the war.

Be sure to come so you can enjoy the talk.

I have also included some of the photos from our 2015 members hunt.

I have updated the meeting location under the Meetings tab for the Morris Family Restaurant. I also put under the Notices & News tab our next meeting date, location and mention of our guest speaker.

2015 October 18th Club Picnic and Members Hunt

The Club Picnic and members hunt was a great success. It was quite the chilly and windy day, but that did not deter the hunters. There was plenty of great food, prizes and silver coins for all. Thanks to all who helped and participated.

Photos of the hunt are on our website.

Do you have any Ideas?

Know an expert? Someone that would like to share? Maybe they could be a guest speaker for a meeting.

Have an idea for a club event? Bring the idea to the meeting.

We suffered a blow by not having our annual hunt, we are looking for ideas to raise interest and participation. Come to the meeting or call an officer with your suggestions.
